MAKE YOUR MARK ON MATHISON HALL

Thank you for being a part of the Brick x Brick Campaign!

With a gift of \$2,500 you will write yourself into the next chapter of the Haskayne School of Business. In recognition of your contribution, your name will be added to a commemorative installation on a prominent brick wall in the atrium of Mathison Hall for a ten-year period. The installation will be unveiled in early 2023 to coincide with the opening of the Winter Semester and the inaugural classes in the building.

Your gift lays a foundation for the next generation of business leaders and we are grateful for the continued support of our Haskayne community. This is a great opportunity to make your mark, pay tribute to a friend or family member or memorialize a loved one.

INSCRIPTION DETAILS: A member of the Haskayne Advancement Team will connect with you at the end of the month to collect your inscription wording for the Mathison Hall Brick x Brick installation.

Together, let's build Mathison Hall.
